by PeopleCert

Course Description

PRINCE2® 7 Practitioner extends your knowledge and understanding to enable you to apply and tailor the PRINCE2® project management method.

PRINCE2 is a globally recognized and established project management method that offers a structured, scalable, and tailorable approach to project management. Its focus on governance, risk management, and benefits realization sets it apart from other qualifications. By integrating agile concepts and emphasizing tailoring, the new PRINCE2 is even more adaptable to diverse project environments.

PRINCE2 7 Foundation provides theoretical knowledge of how to plan, manage and deliver projects from start to finish. A pass at Foundation level is a prerequisite for the Practitioner certification.
